Need support to pay for your tolls?

Sometimes life doesn't go to plan.

If you want to pay your tolls but for whatever reason you can't—we can help.

Call our Linkt Assist team for confidential support on **1300 767 865**.

If you prefer you can ask a representative, such as a community welfare organisation, financial counsellor or lawyer, to call us on your behalf.

Choosing the right product for your needs

[^] This fee is set by each toll road, so if you're travelling interstate these fees may be different. View a full list of these fees for interstate toll roads on the Linkt website.

Received a toll notice?

If you've received a toll notice (a bill for toll road travel) in the mail, payment options are listed on the pay slip. Setting up an account or buying a pass before you travel will help you avoid these and save you money.

Top up in person
