Linkt 24-hour pass prices

West Gate Tunnel	\$8.56	\$17.13	\$27.40	\$50.49	\$75.75
West Gate Tunnel & CityLink	\$19.47	\$38.92	\$70.76	\$97.10	\$145.65

* Heavy vehicles will be tolled at a single toll point along the West Gate Freeway, regardless of route. Long HCV is a new vehicle class (trucks 26m or longer) valid on the West Gate Tunnel and CityLink. It's a reference to the vehicle classification defined as "High Productivity Freight Vehicle" or "HPPV" under the WGT Project Agreement.

** Excluding Victorian public holidays. The toll point is located on the new ramp connecting the West Gate Tunnel inbound to the City West area.

Multi-road toll cap

Trucks (HCVs and Long HCVs) travelling on CityLink and the West Gate Tunnel will have tolls for a single trip capped at:

- **\$37.59** (for travel between 6am and 8pm) and **\$25.06** (for travel between 8pm and 6am) for HCVs
- **\$56.39** (for travel between 6am and 8pm) and **\$37.59** (for travel between 8pm and 6am) for Long HCVs.

West Gate Freeway multi-trip discount

Trucks (HCVs and Long HCVs) using the upgraded West Gate Freeway will get discounted tolls after four trips, and won't be charged after eight trips, if all trips happen within the same 24-hour period starting at midnight.

- **First 4 trips:** trucks pay full toll
- **Trips 5 to 8:** trucks pay 50% of toll for those trips
- **Trips 9 and above:** no further charges
